

# 6150-05 Emergency Rescue and Recovery of Casualties from Confined Spaces

**Course duration:** 5 days

## Course overview

Incorporating the 6150-03 course as the first three days, this course gives the candidates the ability to work as part of a confined space rescue team. Each course is dedicated specifically to a company or team, so that the team learns the crucial skill of working together at the same time.

It is recommended that those wishing to attend have a first aid qualification.

## Who should attend?

This qualification is suitable for supervisors and operatives alike, who will be working as part of a confined space rescue team.

## Course Content

The course gives candidates knowledge and competence in the following areas in addition to the 6150-03 course:

- Rescue Team roles and responsibilities
- Safe use of Rescue stretchers and casualty splinting devices
- Safe use of basic casualty care equipment
- Safe use and maintenance of Resuscitation and Defibrillation equipment
- Safely augmenting air supply
- The application of Casualty Assessment and Basic Life Support to confined space casualties
- Practical application of Rescue techniques in vertical and horizontal extractions

## Training Delivery Methods

Combining a perfect balance between theoretical and practical learning, a variety of teaching methods are used to ensure that candidates successfully complete the course, with the knowledge required to work safely.

All our instructors are fully qualified as assessors, and are trained first aiders, giving the assurance your staff are in safe hands. Professional delivery methods, coupled with expert industry knowledge guarantee that learning outcomes are met.

## Qualification

- Qualifies candidates to enter 'Medium and High Risk' confined space environments with compressed air escape breathing apparatus or working breathing apparatus as appropriate, and associated equipment
- Additionally qualifies candidates to work as part of a confined space rescue team
- City and Guilds accredited and certified
- Certification and ID card
- Valid for 3 years

## Possible further learning

The following courses are recommended for further learning:

- 6150-61 – Manage Work in Confined Spaces
