

6150-06 Working in Medium Risk Confined Spaces (Non-Entrant)

Course duration: 2 days

Course overview

The City and Guilds 6150-06 provides a medium risk non-entry qualification at a nationally recognised level. Very similar to the 6150-02 course but does not qualify the candidate for entry into the confined space.

Who should attend?

This qualification is aimed at operatives and supervisors alike who are working in the UK Water industry, or where a nationally recognised qualification is required, but who for medical or other reasons are not able to work actually in confined spaces.

Course Content

The course gives candidates knowledge and competence in the following areas:

- Understanding of the Confined Space Regulations 1997
- Ability to interpret the Water UK Confined Spaces classifications
- Understanding the hazards and risks associated with confined space
- How to identify and control such risks
- Safe use and interpretation of gas monitoring equipment
- Safe use and pre-use inspection of entry equipment – tripod, winch, fall arrest mechanisms, harnesses and safety lines
- Pre-use checks of compressed air escape breathing apparatus
- Working to a safe system of work

If you require assistance with choosing a suitable course or more information please do not hesitate to contact us:

- Reacting safely and effectively in an emergency situation as a Top-man

Training Delivery Methods

Combining a perfect balance between theoretical and practical learning, a variety of teaching methods are used to ensure that candidates successfully complete the course, with the knowledge required to work safely.

All our instructors are fully qualified as assessors, and are trained first aider's, giving the assurance your staff are in safe hands. Professional delivery methods, coupled with expert industry knowledge guarantee that learning outcomes are met.

Qualification

- Qualifies candidates to perform Topman duties for 'Medium Risk' confined space environments with compressed air escape breathing apparatus and associated equipment
- City and Guilds accredited and certified
- Certification and ID card
- Valid for 3 years

Possible further learning

The following courses are recommended for further learning:

- 6150-14 – Top-man for High Risk Confined Spaces
- 6150-61 – Manage Work in Confined Spaces
