

6150-61 Manage Work in Confined Spaces

Course duration: 4 days

Course overview

This is highest level of confined space qualification on offer from City and Guilds. This course enables candidates to fully plan and manage work in confined spaces at all levels of risk.

Who should attend?

This qualification is aimed at those who will be involved in planning and managing work in confined spaces. This is a very detailed and high level qualification that only confident candidates should apply for. It will take candidates from the basics of confined space right through to creating safe systems of work for the most complex tasks.

Course Content

The course gives candidates knowledge and competence in the following areas:

- Understanding of the Confined Space Regulations 1997 and Water UK Confined Spaces classifications
- Understanding the hazards and risks associated with confined space
- How to identify and control such risks
- Responsibilities of management in providing safe and correctly serviced equipment, as relevant for each job task
- Statutory servicing and maintenance requirements, and an overview of relevant legislation
- Full understanding of all confined space entry equipment and its safe usage.

- Creating and implementing a safe system of work, with relevant method statements and risk assessments
- Creating effective emergency plans

Training Delivery Methods

Combining a perfect balance between theoretical and practical learning, a variety of teaching methods are used to ensure that candidates successfully complete the course, with the knowledge required to work safely.

All our instructors are fully qualified as assessors, and are trained first aiders, giving the assurance your staff are in safe hands. Professional delivery methods, coupled with expert industry knowledge guarantee that learning outcomes are met.

Qualification

- Qualifies candidates to enter 'Medium Risk' confined space environments with compressed air escape breathing apparatus and associated equipment
- City and Guilds Accredited
- Certification and ID card
- Valid for 3 years

Possible further learning
